Reekado Banks drops his debut studio album titled " Spotlight ". The Mavin Records signed act was signed two years ago by Don Jazzy, and has progressed considerably, becoming a Nigerian star. He cements his position with the release of his debut project.

"Spotlight " album, the first Mavin Records album of the 'Mavin 2.0'trio of Reekado Banks, Korede Bello and Di'Ja.

"Spotlight " album is Reekado Banks' first body of work. It is released under Mavin Records.

The album is produced entirely in-house, by Don Jazzy, Babyfresh and Altims.

Don Jazzy produced 6 tracks, Babyfresh tied that number with a decent 6 tracks, while Altims got a slight edge, supervising work on 8 tracks. This brings the sum of all the songs to 21, inclusive of a skit handled by Kenny Blaq. The album contains 18 new songs, with released singles ` Katapot`, `Oluwa ni`, and ` Standard` making the project.

Collaborations on the album are sparse, with D'Prince, Falz, Sarkodie , Patoranking and Vanessa Mdee , are on the project.
